WOMEN HELPING WOMEN MEMBER PLEDGE:

I am a trailblazer and an innovator. I hereby promise to make a difference, to give back and serve as a source of encouragement and support to [other] women in the entertainment industry – specifically women within the WHW in entertainment network.

I hereby pledge that even as I reach up toward the fulfillment of my own aspirations, I will commit at least 15 hours, in each year that membership is current, to reach out, reach back and mentor or peer mentor one or more WHW members.

In that regard, I affirm my commitment to support, empower, inspire; facilitate and share resources, i.e., connections, opportunities, the benefit of my knowledge, expertise and experiences; and to think more readily about hiring and collaborating on a more consistent basis.

Additionally, I shall specifically not discriminate against others on the basis of race, age, national origin, gender or disability.

I have read the Women Helping Women Code of Ethics & Conduct (the “WHW Code”) and as a member of Women Helping Women, I agree and further pledge myself to comply with, uphold, promote and practice the ideals and standards of Women Helping Women as set forth in the WHW Code, and will embrace and use this opportunity to set, and be, an example to others.
